To: Presidents and All Members

From: Joel Duff, Associate General Secretary – Professional Services

### For Action

The *Ontario Federation of Labour (OFL)* is thrilled to launch the 2026 International Women's Day March 8 Project with the powerful theme: Women Power Work. Solidarity Across Generations. Celebrating 50 Years of the OFL Women's Committee.

The 2026 theme artwork features a vibrant circle of women and gender-diverse workers from construction, health care, transportation, public administration, arts, retail, and education. The theme also recognizes workers representing a range of intersectional perspectives and identities.

For five decades, the OFL Women's Committee has been at the forefront of resilience, resistance, and progress, fighting for social and economic justice for women and gender-diverse workers across Ontario. This milestone isn't just history; it's a call to action.

Show solidarity and order your 2026 pins, posters, and shirts today!

Surplus proceeds from sales will benefit organizations making change such as:
